The art of life.®

The Greek words “Zoë” meaning “life” and “poetry” meaning “artful creation,” inspired us to create Zoëtry [Zoh-eh-tree] — *The Art of Life*®. One of the purest expressions of that art is found here in the Dominican Republic, Zoëtry Agua Punta Cana.

Your luxurious abode will be one of 96 exclusive cane-thatched suites, each featuring natural stone accents, hardwood floors and of course, an utterly romantic and secluded garden or oceanfront setting. Although we are just over an hour from the Punta Cana International Airport, the days and evenings here bear no resemblance to the hectic tempo of ordinary everyday living.

Here you will experience a completely new kind of vacation experience focused on wellness, romance and personal attention, as well as social and environmental responsibility. This includes healthy gourmet dining at multiple international restaurants and lounges serving unlimited top-shelf spirits, a tranquil tropical spa and unique opportunities for educational and cultural enrichment — all made even more extraordinary by the many inclusions of *Endless Privileges*.®

From your complimentary horseback ride to the complimentary spa treatment, every moment of your time with us will be a total immersion into a world of luxury and well-being. For these and other thoughtful details, we are committed to providing the ultimate luxury experience.

Zoëtry Agua Punta Cana — The finest expression in *The Art of Life*®.

Our elegant Villa Suites are ideal for your additional guests, or if you simply want additional room to luxuriate.

The two, three and four bedroom Villa suites provide oversized private terraces with a plunge pool and garden views. Plus, additional bedrooms, spacious light-flooded bathrooms and extra living space make you feel right at home.

Spa Seclusion.

It's time to exchange a life of pressure for the Art of Life[®], where your only obligation is to you. To rest, renew, revive. Our tropical spa can be the center of your transformation.

Perhaps it will start with a sunset couples massage, or one of our other therapies and healing treatments.

It's all here... and all for you. At last.

Nature's Nutrition.

It's rare to find resort restaurants that offer truly healthful fare — rarer still to find one that presents world fusion gourmet including organic and traditional ingredients. We offer four. Should you have any special requirements, just tell us.

In addition to three lively lounges serving unlimited top-shelf spirits, our large international wine cellar offers rare vintages for your personal discovery. Sip, Savor & See at nearby sister resorts to enjoy top-shelf spirits, dinner and live entertainment.

Celebrating Life Together.

Exchanging rings and saying “I do,” deserves the magic of our enchanted settings.

Our event planners assure perfection of your blessed day, or any other special occasion.
